Dear Mr. Helms:

I am happy to report that the Board of Trustees of the National Institute of Public Affairs has granted Career Education Awards for the academic year 1967-68 to the nominees from your agency indicated below.

The Award letters for these persons are enclosed. I would appreciate your forwarding them as soon as possible in whatever manner you deem appropriate.

Those persons receiving the \$1,000 cash prize will receive a check by approximately July 15th. Use of these funds is not restricted and no accounting is required, but they must be returned by any person who does not enroll at the university for the full academic year. Each Award is also contingent upon the continuation of the recipient's salary during the academic year and a contribution by the agency to the travel and moving expenses he and his family will incur in going to the university and returning to his place of employment.

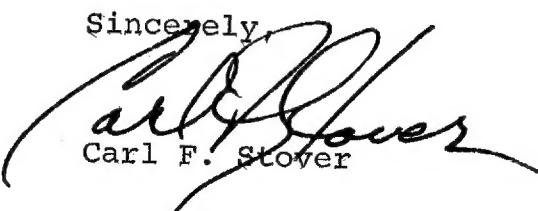

We are planning an orientation meeting for all Award winners at Williamsburg, Virginia, from May 7-10. Public announcement of the Awards will be made about April 15.

We are grateful to you for the cooperation you have given the Career Education Awards Program. We regret that we are not able to make Awards to all of the many fine candidates presented to us.

Please let us know if you have any questions.

Kindest regards,

Sincerely,

Carl F. Stover
